FAATEHA OF OUR SILSILA

The above Shajrah Shareef Should be recited once daily after Fajr Salaah followed by the following Khatam Shareef.

(a) DUROOD-E-GHAUTHIYA	7 times
(b) SURAH FAATEHA	1 time
(c) AYATUL KURSI	1 time
(d) SURAH IKHLAS	7 times
(e) DUROOD GHAUTHIYA	3 times

When you have completed reciting these, send the Thawaab to the Arwah (Souls) of Sayyiduna Rasulullah Sall Allahu Alaihi wa Sallam all the Masha'ikh of your Silsila, and to the Muslim Ummah in general. If your Peer-o-Murshid is still alive (in this world), make Dua for his good health, prosperity and spiritual advancement. If he passed away, then include his name in the Faateha and make Dua for him.

DUROOD-E-GHAUTHIYAH

Allahum-ma Salle Ala Sayyidina wa Maulana Muhammadim Ma'dinil Joodi Wal Karami Wa Aalihi wa Baarik Wa Sal'lim

PANJ GANJ E QAADIRIYAH
THE FIVE TREASURES OF THE QAADIRI ORDER

The following is known as the Panj Ganj e Qaadiriyah, which should be read daily after every Salaah. First, recite 3 Durood e Ghauthiyah, then the specific litany 100 times, and end with Durood e Ghauthiyah 3 times.

After Fajr	Ya Azeezu Ya Allahu Ya
After Zohar	Kareemu Ya Allahu Ya
After Asr	Jab-baaru Ya Allahu Ya
After Maghrib	Sat-taaru Ya Allahu Ya
After Esha	Ghaf-faaru Ya Allahu

By consistent recitation of these Litanies, you will attain immense blessings and spiritual pleasure in this world and in the Aakhirat.

Also after Fajr (before sunrise) and Maghrib Salaah, it is strongly recommended to Recite the Following Litanies each 10 times each, with Durood Shareef before and after;

Hasbi'Allahu Laa ilaaha il-la Huwa Alaihi Tawaq-qaltu Wa Huwa Rab-bul Arsh-il Azeem

Rab-bi In-ni Mas-saniyad-dur-ru Wa Anta Arhamur Raahimeen

Rab-bi In-ni Maghloobun Fantasir

Sayuh-zamul Jam'u Wa Yu-wal-loo-nad Duburu

Allahum-ma In-na Naj-aluka Fi Nuhoori-him Wa Na'oodhu Bika Min Shuroori-him

If you consistently recite these Litanies, In'sha Allah, all your permissible desires will be fulfilled, and you will always be protected from your enemies.

QAZAA -E- HAJAAT
(For The Achievement of Needs)

These Litanies are read if you desire something:

ALLAHU RABBI LA SHAREEKA LAHU

Recite this Wazifa 874 times with 11 times Durood Shareef before and after. In the state of Wudu, sit in the Tashahud position facing the Qibla and recite this litany daily until you achieve your desired need. Also keep reciting this throughout your day, while walking, sitting, standing and whenever possible, in wudu or without Wudu, until your need is achieved.

HASBUN'ALLAH WA NE'MAL WAKEEL

Read this Wazifa daily 450 times with 11 times Durood Shareef before and after, until you achieve your heart's desire. It must also be read continuously when one is depressed and uneasy.

TUFAIL-E-HAZRAT-E-DASTAGEER
DUSHMAN HUWE ZER

This should be recited 111 times after Esha Salaah with 11 times Durood Shareef before and after. (This is read with a desire to overpower one's enemies)

These 3 litanies should be recited as stipulated, e.g. 874 times, 450 times, and 111 times. The first two can be read at any time during the day. The third Wazifa must be recited only after Esha Salaah.

For the sake of Barakah (to those who do not have any problems), one may recite daily the first two litanies 100 times each with 3 times Durood Shareef before and after.

IMPORTANT ADVICE

1. Remain steadfast on the teachings of the Ahle Sunnah Wa Jama'ah. Stay away from all those who are against the Ahle Sunnah Wa Jama'ah, such as the deobandis, wahabis, qadianis, shias, maudoodis and nadwis (and in this time the taahiris an sulhe-kullis). Think of them as your enemies. Do not listen to their speeches. Do not sit amongst them. Abstain from reading any of their books since (may Allah forbid!) it does not take much time for shaitaan to put evil into a person's heart. The Deen and Imaan are the most valuable possessions of a person. To protect one's Imaan one must strive to the best of his or her ability. Respect of the world and its wealth and the life of this world are only bound to this world. Deen and Imaan will always be of importance in your homes. To be aware of this is most important.

2. To remain steadfast in performing the 5 daily Salaah is very important. For men to perform Salaah with Jama'ah in the Masjid is Waajib (where the Imam is Sunni Sahih ul Aqida). Those Muslims who do not perform Salaah are only human by name and not by spirit since they do not fulfil their duties as

human beings. To make your Salaah Qaza because of your job, business, etc. is to be totally ungrateful to Almighty Allah. No good employer will stop his staff from performing their Salaah. If any employer does so, then to work for such a person is Haraam. No means of gaining Rizq (sustenance) can give the Barakah of Salaah. Giving Rizq is in the Power of Almighty Allah, Who has made Salaah Fard upon us and He shows immense displeasure when Salaah is omitted.

3. Perform all those Salaah which you have made Qaza. If you do not perform your Fard Salaah, then your Nafil (optional) Ibaadat does not have any certainty. So, beware, and be sure to perform your Salaah before your time on this earth expires. Always make Niyyah in Qaza for the first Namaaz you have missed. In other words if you have 100 Qaza of Fajr, then say, I am making Qaza for the very first Fajr which I missed. Do the same for all other Salaah. Qaza is only for the Fard and Witr Salaahs. In other words, there will be all in all 20 Raka'ats Qaza Salaah for any given day.

4. Keep all those Fasts which you have missed out. The Beloved Nabi Muhammad Sall Allahu Alaihi wa Sallam has stated, 'So long as a person does not keep his previous Fast, the current Fast is not accepted.'

5. Those who are Saahib-e-Nisaab, should pay their Zakaat. One must not delay in doing so, since by doing so, one will receive punishment and face torment. The Zakaat of each year must be paid before the year ends. If one has not given Zakaat of the present year, then he should accommodate it in the following years Zakaat so that the wealth may be purified. If one has given more than the amount due, then he may carry it over to the next year. Almighty Allah does not destroy the good deeds of any person.

6. Hajj is Fard upon those who have the means of accomplishing it. In commanding the Fard of Hajj, Almighty Allah says, 'And for those who disbelieve (disobey), then Allah is Divinely Sovereign from the entire creation'. The Beloved Nabi Sall Allahu Alaihi wa Sallam said the following concerning those who intentionally leave out Hajj; 'He will either die a

christian or a jew.' We ask protection in Allah from this. In order to be protected, perform your Hajj.

7. Protect your-self from evil, lies, back-biting, adultery, sodomy, tyranny, dishonesty, falsehood, and egotism, etc. To shave off or trim the beard (less than the Shariah requirement) is to be in the garb of a transgressor. Abstain from all sinful actions. Those who remain firm on these seven points shall be blessed with the promise of Allah which is Jannat.

THE HISAAR (FOR PROTECTION)

Before commencing the Panj Ganj e Qaadiriyah you may recite the following Wazifa once. (This will protect you and your family and your wealth etc from your enemies & witchcraft etc)

Bismillahir Rahmaanir Raheem

Wash Shamsa Wal Qamara Wan Nujooma Musakh-kharaatim Bi Amrihi Alaa Lahul Khalqu wal Amr. Tabaarak'Allahu Rab-bul Aalameen. Gird-e-man Gird-e-Khaan-e-man wa Gird-e-Zan Wa Farzan daan-e-man wa Gird-e-Maal Wa Dostaan-e-man Hisaar-e-Hifaazat Tu Shud Wa Tu Nigahdaar Baashi. Ya Allahu Bi Haq-qi Sulaimaanab-ne Dawood Alaihimas Salaamu Wa Bi Haq-qi Ahyan Ashraahiy-yan wa Bi Haq-qi 'Aleeqan Maleeqan Taleeqan Anta Ta'lamu Ma Fil Quloobi Wa Bi Haq-qi Laa ilaaha ill'Allahu Laahu Muhammadur Rasoolullahi Wa Bi Haq-qi Ya Mu-minu Ya Muhayminu Sall Allahu Ta'ala Alaihi wa Aalihi Wa Sahbihi Wa Sallam

Note: After reciting this once, blow on the Shahaadat finger of the right hand and move this finger in a circular motion around the right ear thrice. Always do this. Thereafter commence the Amal of the Panj Ganj for that time, and if after reading the Panj Ganj for that time, if you read, 'Ya Baasitu' 72 times, it is better. If you wish then,

At the time of Fajr you may recite,

Ya Hay-yu Ya Qay-yoomu Laa ilaaha il-la Anta Subhaanaka In-ni Kuntu Minaz Zaalimeen

At the time of Zuhr you may recite,

Ya Hay-yu Ya Qay-yoomu Bi Rahmatika Astagheethu

At the time of Asr you may recite,

Hasbun'Allahu Wa Ne'mal Wakeel

At the time of Maghrib you may recite,

Rab-bi In-ni Mas-saniyad-dur-ru Wa Anta Arhamur Raahimeen

At the time of Esha you may recite,

Wa Ufaw-widu Amri ilal Laah. In-nal Laaha Baseerum Bil ‘Ibaad

Each of these litanies can be recite one hundred and eleven times with 11 Durood Shareef before and after. In the night, you may also add Durood e Ghauthiyah 500 times, so that it may become the Special Panj Ganj.

BEFORE GOING TO BED

At the time of going to sleep also try to read this Hisaar with 11 Durood Shareef before and after and with the intention of making Hisaar (protection) of the house, stretch your hand our around you and blow on your finger and make an imaginary circle all around you at a distance.

After this, now you should lay down with both knees upright, by keeping both hands on the chest, like in Dua. Then recite the following

1. Ayatul Kursi - Once
2. The 4 Quls - Once. However, Surah Ikhlaas (Qul Huw'Allah) must be read 3 times.

You should then blow on the palms of your hands and pass them over the entire body, front and back. You may also do this for the infants who are not able to read. It is also recommended that you learn Surah Waaqi'ah, Surah Yaseen and Surah Mulk.

You should recite these Surahs before sleeping. Until you have not committed them to memory,

you may recite them by looking at the Holy Qur’an. After all the recitations, you should lay on your right side without talking. If you have to talk, then you may do so, but you should recite Surah Kaafirun before going to sleep. If this procedure is followed then, In’sha-Allah, you will be protected from all evil forces. In’sha Allah the reciter will pass from this world with Imaan and will attain blessings through the Beloved Rasool Sall Allahu Alaihi wa Sallam. Those who do not know how to read the Qur’an properly should be swift in learning, as it is Fard to do so. Be sure to recite every alphabet with the correct pronunciation.

DHIKR NAFI WA ITHBAAT

The following Dhikr is usually read softly. The manner in which this Dhikr is read is as following:

1. La ilaaha il-l’Allah	200 times
2. Allahu Allahu	600 times
3. il-l’Allahu	400 times

The Dhikr must commence and end with 3 times Durood Shareef.

DHIKR E JAHR
(Audible Dhikr)

This Dhikr is known as Dhikr-e-Jahr and is usually recited aloud. The procedure of Dhikr-e-Jahr is:

1. Recite Durood Shareef - 10 times
2. Recite Istighfaar 10 times
3. Recite this verse of the Qur’an 10 times:

فَاذْكُرُونِيٓ أَذْكُرْكُمْ وَاشْكُرُوا لِي وَلَا تَكْفُرُونِ

After reciting all of the above make Dum (blow) on your-self and commence the Dhikr;

1. La ilaaha il-l’Allah	200 times
2. iI-l’Allahu	400 times
3. Allahu-Allahu	600 times
4. Haq-Haq	100 times

Either reading it as many times mentioned above or as per your ability, but in threes or fours.

SPECIAL ADVICE TO THE MUREED

1. O Beloved (disciple)! Remember that when you were born all were happy and you were crying. Live your life in such a way that when the time of your death comes, then all will be weeping but you will be happy (content). If with a sincere heart you weep and humble yourself in the remembrance of Allah, and if your heart is restless and pining in the separation from the Beloved and in the desire to become closer to him Sall Allahu Alaihi wa Sallam, then surely at the time of your demise and when you will get to meet the Beloved Sall Allahu Alaihi wa Sallam, you will be pleased and ecstatic, while the creation will be saddened and in grief due to your demise.

2. O Beloved! Remember the pledge and promise you made when you gave your hand in the hand of this humble sinful servant. You should also make Dua for this humble servant who has no substance; that I should live in accordance with the Commands of Allah, as I should, and until my last moment, I should remain firm in this manner.

3. O Beloved! You have pledged to remain steadfast on the Madhab of the Ahle Sunnah, and that you will refrain from the company of all deviants (bud-mazhabs). Remain firm on this strictly. Remember! Do not die, but in the state of Imaan.

4. O Beloved! You have pledged to perform every Fard and Waajib Salaah in its appointed time, and you will abstain from sins. May Allah help you to remain firm on your pledge. To break a promise is Haraam, and it is a huge weakness and an evil act. To be loyal to your promise is necessary, even if you have made a promised to the lowest of the creation. This Promise who have made with The Creator, The Most Exalted.

5. O Beloved! Remember (your) Death! If you remember death, then In'sha Allah you will be saved from destruction. You will take your Deen and Imaan safely with you, and you will continue to obey the Shariat and you will abstain from sins.

6. O Beloved! Wake up today, so that after your death, you may sleep a peaceful and comfortable sleep. The Angel will say to you, 'Sleep like a bride

Sleeps'. **Listen! Listen! Listen!**

Jaagna he Jaag le Aflaak Ke Saaye Taley Hashr Tuk
Sota Rahega Khaak Ke Saaye Taley

If you wish to wake, wake up,
beneath the shadow of the Skies

(Otherwise) Until The Day of Reckoning
You Will Sleep, under the shadow of
the Dust (sand)'

O Beloved! Do not drown yourself in the love of the world. To become lost in the love of the world, is to become heedless of your Creator. The 'World' is (another) name, for being oblivious of your Creator.

Cheest Dunya Az Khuda Ghaafil Budan
Ney Qamaash o Nuqrah o Farzand o Zan

'What is this World? It is to be Heedless
of Allah! Neither is it gold or silver, nor
(your) children or (your wife)'

THE IMPORTANCE OF PARDAH
(Proper Islamic Attire)

It is obligatory upon the Muslim females to have Pardah (proper Islamic attire). They should neither go around without the proper Islamic attire and nor should they be without it at home.

It is Haraam, Haraam to wear such thin (see through) clothing through which the body or the hair can be seen, and to reveal the area above the pants bottom and the and the area of the shin above the ankles, and to let the neck and the chest show, and when wearing such clothes, even thin clothing through which the body can be seen, leave alone strangers, it is forbidden and detrimental to go in the presence of your husband's elder brother, your husband's younger brother, sister's husband, your blood maternal cousin brothers, your maternal aunts sons, your paternal aunts sons and your maternal uncles sons. It is Fard upon the males to save their wives, daughters and sisters from being without proper Islamic attire in the presence of strange males. We should remind them about Pardah, and for those can be disciplined for not

obeying, they should be disciplined. That person who does not care about his Mahaarim females being in un-Islamic attire and who allows them to move around in this condition where even their 'Satr' areas which need to be covered are uncovered, allowing such parts of the body to be revealed, then such a person is regarded as a 'shameless person'.

SEEK AND YOU SHALL ACHIEVE

Kiye Jaa-o Koshish mere Dosto
Na Koshish Se Ek Aan Ko Tum Thako

Continue to Strive O' My Friends
Never Tire Even A Moment, from Striving

Khuda Ki Talab Me Sa'ee Karte Raho
Jitne Ho Sakey Mujahide Karo

Continue to Strive to Attain Closeness to Allah As Much As You Can, Strive in His Remembrance

Always be confident of success and triumph. Almighty Allah says, 'He who seeks a path towards Me, We will certainly show him the paths.' May Allah open unto you all the Doors of goodness and success.

The moment you enter into this path, your reward is already upon Allah. 'And he who leaves his home to strive for the sake of Allah and His Rasool Sall Allahu Alaihi wa Sallam, and then death overtakes him, then his reward is upon Allah'

The Beloved Rasool Sall Allahu Alaihi wa Sallam said, **'He who seeks out something and strives for it, will certainly receive it'**

It is in the Hadith that, 'One who seeks closeness to Allah, will achieve it'. However, the pre-requisite for this is, true love and respect. The love for a (true) Peer is love for the Beloved Rasool Sall Allahu Alaihi wa Sallam, and true love for the Beloved Rasool Sall Allahu Alaihi wa Sallam is love for Allah. The greater your love becomes and the more loyal you become, the more you will see the benefits. Even if the Peer is from among the people, and he is not full of splendor, as long as he is a Peer who is proper (according to Shariah), and he possesses all the conditions of a true Peer. If his Silsila (spiritual) chain is connected then surely you will receive blessings from the blessings of The Beloved Master Sall Allahu Alaihi wa Sallam. O my beloved son (daughter)! Remember the concept of Tauheed (Oneness).

Allah is One, The Rasool Sall Allahu Alaihi wa Sallam is One, and your Peer is One.

It is necessary for the Qibla of your attention to be one and to remain one. Do not be troubled and in the condition that you are neither here nor there. Become absorbed in seeking the pleasure of Allah. Fulfill the chores of Deen and this world for the pleasure of Allah.

Obey the Shariat, Follow the path of Shariat. Do not remove your foot from the path of Shariat even for a moment. Eat, drink, stand, sit, rest, sleep, go and come, speak, listen, take, give, earn and spend, in other words do everything for the pleasure of Allah. Always have the pleasure of Allah in your sight.

O Razvi! Become 'Fana' absorbed in Raza, thus becoming absorbed in attaining the 'Raza' pleasure of The Beloved Nabi Sall Allahu Alaihi wa Sallam, thereby being absorbed in attaining the 'Raza' pleasure of Almighty Allah.

Your true aim should be your Creator. Attaining His Pleasure should be your objective.

Firaaq o Wasl Che Khaahi Raza e Dost Talab
Keh Haif Ba Shad Az O Ghayre Oo Tamana'e

'If you desire separation and closeness, then only wish and strive for the Pleasure of the One you Love (i.e. Allah)'

'O what a Pity! You desire someone other than The One you Love (i.e. Allah)'

Strive to save yourself from boastfulness. Do everything with sincerity for the pleasure of Allah, following the Shariat. This is a very blessed and virtuous act, and truly a blessed way of striving for spiritual success.

Some of our Masha'ikh have said,

People have a greed for Spiritual exercises (Riyazat). There is no spiritual exercise or spiritual striving, equal to giving full consideration to the rules and principles of Namaaz, especially offering the five Daily Salaahs with Jama'at at the Masjid.

METHOD OF RECITING THE HOLY QURAN

The Awliyah-e-Kaamileen state that, Without doubt the recitation of the Holy Qur'an is a powerful means for attaining ones needs. You should try to read with complete respect as much as you can in a day. If one recites the Qur'an following this method, then it is very good and soon one will achieve success. You should commence on a Friday and complete on a Thursday;

Friday	From Surah Faateha up to the end of Surah Maa'ida
Saturday	From Surah Al An'aam up to the end of Surah Tauba
Sunday	From Surah Yunus up to the end of Surah Maryam
Monday	From Surah Ta-ha up to the end of Surah Al Qasas
Tuesday	From Surah Al 'Ankabut up to the end of Surah Saad

Wednesday	From Surah Az-Zumar up to the end of surah Rahmaan
Thursday	Surah Waaqi'ah up to the end of Surah till the end of the Qur'an (Surah An Naas)

Read this in privacy. Do not talk in-between when reciting. It is a means of attaining all your most difficult needs. Most blessed is to complete the recitation of the Qur'an 12 times.

THE VIRTUES OF DUROOD SHAREEF

The virtues and blessings of Durood Shareef are mentioned in numerous Ahadith.

Here only one Hadith is being presented, and just from this we will realise the blessings and benefits of this world and the hereafter which are attained by presenting Durood Shareef in the Exalted Court of Nabi Kareem Sall Allahu Alaihi wa Sallam.

Hazrat Abi bin Ka'ab Radi Allahu Anhu says that, I said to Nabi Kareem Sall Allahu Alaihi wa Sallam; Ya Rasool'Allah Sall Allahu Alaihi wa Sallam! I wish to send Durood upon you in abundance, so how much time should I allocate for this?

Huzoor Nabi Kareem Sall Allahu Alaihi wa Sallam said, As much as you wish. So I said, one fourth of my time. He Sall Allahu Alaihi wa Sallam said, As you please, but if you increase it, then it will be better for you. I said, half of my time.

He Sall Allahu Alaihi wa Sallam said, As you please, but if you increase it, then it will be better for you. I said, three quarters of my time.

He Sall Allahu Alaihi wa Sallam said, It is up to you, but if you increase it, it will be better for you. I said, Ya Rasool'Allah Sall Allahu Alaihi wa Sallam! All of my time.

Nabi Kareem Sall Allahu Alaihi wa Sallam said, If you do this, then you will achieve all your needs, and all your sins will be forgiven. [Tirmizi]

TASAWWUR-E-SHAIKH
VISUALISING THE SHAIKH

Always try and visualize your Shaikh whenever you are alone (in private chambers away from all). This can (also) be done in Court of the Shaikh, and if the Shaykh has passed from this world, then sit down and direct your attention towards the Mazaar of the Shaykh. Do so with complete sincerity and devotion.

Visualize that you are seated in front of your Shaikh and that the both of you are present in the Court of Sayyiduna Rasoolullah Sall Allahu Alaihi wa Sallam.

Visualize that the rays of Noor (Light) and blessings of Rasoolullah Sall Allahu Alaihi wa Sallam are descending upon the heart of your Murshid and from his heart it is flowing over and being transferred to your heart.

Continue this Tasawwur until you are absorbed fully in it, and you find no need to make more effort, as you are able to see the face of your Shaykh. When you reach a level of perfection in this, then you will

always be able to visualise the face of your Shaykh, and this will remain with the mureed (disciple), and this will assist him in all issues, and whenever he (or she) faces any hurdles in his (or her) path, it will give him a solution.

May Almighty Allah assist us all in this world and in the hereafter through the Wasila of the Beloved Rasool Sall Allahu Alaihi wa Sallam and through the Blessings of all the Masha'ikh of this blessed Silsila. Aameen
